PRESENTATION

Description

“A Pirate’s Secrets” is a show that presents the extraordinary adventures of Jean Bat, the greatest of all pirates!

This pirate that all children love will tell you one of his greatest stories... The one that made of him a one-of-a-kind magician juggler and an awesome adventurer!

Embark with him on a fabulous journey: prepare yourself to do a fabulous round the world trip in only a few seconds...

The story

Jean Bat is the greatest of all pirates; he has crossed the 7 seas and the 7 continents, and has gone many times round the world. Nothing scares him, nothing stops him!

He will tell you his story, that who may not believe...

This epic adventure will lead him to cross the world, looking for Davy Jones and his famous treasure.

During his journey, he will become juggler, stuntman and magician...

In the 2 artists version, a second pirate who is a little clumsy joins Jean Bat for an even more fun show!

TECHNIQUE

Stage area and technical constraints

The technical conditions can be adapted to all kinds of venue.

Minimum stage area: 4m x 4m

- However it is possible to perform the show on a smaller stage area, but some parts will have to be changed.

Sound and lighting

If less than 50 people: the artist is autonomous with his sound system

If more than 50 people: depending on the room, the following can be necessary:

- Sound system: the artist has his own HF micro that has to be connected to a control room. The music will be supplied on USB key, CD or tablet computer.
- Lighting: warm front lighting for the whole stage

>>> The artist can come with his own sound/lighting system.

Installation time

Provide for 1h of installation and 1h of the artist's preparation.

- Provide for 1 more hour if Eklabul supplies the sound/lighting system.

The artist – EKLABUL

Jean Philippe QUENTIN, artist of Eklabul's company, has more than five years of experience with audiences, and especially with young audiences. His desire to learn more and to pass down his knowledge led him to educate himself to socio-educative animation: he passed the BAFA and BPJEPS LTP diplomas.

His passion for circus arts led him to learn more about many disciplines: juggling, stilt walking, acrobatics, comedy, magic, ...

This artist is part of Eklabul's company, the specialist of circus and magic on the French Riviera.

Indeed Eklabul is:

- a circus and magic shop
- the entertainment and organisation of events
- an artists company offering all kinds of artistic performances
- the creation and production of show integrating circus and magic
- a rehearsal venue for artists and circus classes
- the reception of birthdays and other private events
