

SPECTACLE

COLOROSO

øklabul

le cirque est partout

The fantastic story of the Coloroso & the Kadok ... Through this show, we offer to give life to the juxtaposition between 2 worlds : a modern world full of distant memories ... with a fantastic world embodied by our circus artists, who will create a world filled with colours, emotion, songs, music and lighting effects ! A moving story, that is full of surprises!

PRESENTATION

The colours disappear ... The Kadok is back ...

The eccentric hawker has the solution: call on the Coloroso tribe, these coloured mythic characters, who are once again gathered to immerse you in an imaginary story, filled with shivers, daring and emotion ...

This show is offered in 3 or 5 artists versions as a fantastic visual fresco composed of various acts:

- The hawker's entrance who, through his many experiments, will present juggling, manipulating and magic tricks
- The Kadok's arrival: an acrobatic entrance of this dark and mysterious character

- The entrance of the Coloroso, who will present various and many light up collective scenes:

- * Juggling and diverse manipulations
- * Magic and special effects
- * Handstands and acrobatics
- * Pixel Pois
- * Tightrope walking
- * Solo and double aerial silk act

- The Kadok's return: this character comes back another time and scares away the Coloroso, before taking shelter (aerial silk act)

- The Coloroso's rebellion: a series of various collective scenes staging the power that will lead to the Kadok's transformation

- The final reunification, which is staged by way of an amazing aerial act

version 5 : <https://www.youtube.com/watch?v=Djbn9DUmf-s&t=32s>

TECHNIQUE

Stage area and technical constraints

Necessary height at the level of the scene: 7m

Floor area: version 5: 10m x 11m

version 6: 12m x 11m

Sound and lighting

Music : soundtrack supplied on USB key or tablet computer. Supply a sound system suitable for the audience and venue.

Lighting:

This show deserves to be played by night, but the lighting is a little complex (cf. technical sheet).

Provide for at least 3h of presence of the light technician before the show if you handle the lighting system.

If desired, the artists can come with their own sound/lighting system and a light technician.

Installation time

Provide for 6h of installation + 1h of rehearsal/scoping with the technician + 1h for the artists' preparation (costumes/makeup).

AUDIENCE

This 100% visual show suits too all audiences.

The artists – EKLABUL

The artists are part of Eklabul's company, the specialist of circus and magic on the French Riviera.

Indeed Eklabul is:

- a circus and magic shop
- the entertainment and organisation of events
- an artists company offering all kinds of artistic performances
- the creation and production of show integrating circus and magic
- a rehearsal venue for artists and circus classes
- the reception of birthdays and other private events
