MULTI CIRCUS ACTIVITIES CHALLENGE

During this entertainment, your participants will be challenged with many circus workshops... Juggling, Balance, Magic, Aerial, Acrobatics, ... you will offer a real introduction to circus arts in the form of fun and varied workshops...

The entertainment will include:

- demonstrations and initiations on each one of the workshops...
- many challenges for the teams, who will compete on each one of the workshops
- as an option, interventions of our artists who will perform real acts during the reception, the briefing or after the prize giving...

But your participants will above all need cohesion and a good team spirit in order for them to evolve...

MULTI CIRCUS ACTIVITIES CHALLENGE

If you are interested in our multi-activities circus challenge, you can select the workshops that will compose it yourself...

JUGGLING:

Balls : After a few minutes of introduction to juggling, the 2 teams will compete: they will have to juggle a maximum of balls for a given time. Each participant will choose between juggling with 1, 2 or 3 balls that they will have to keep in the air for the total given time.

Chinese spinning plates : The 2 teams will compete in a race against time. Each team will have 30 plates to pass in relay to a finishing zone. The participants will have to make their plate spin in the starting zone and bring them to the finish zone, while keeping it spinning.

Diabolos : After an introduction to diabolo given by our entertainer, the participants will have to do a maximum of throw & catch for a given time.

Devil stick : After a short introduction, the participants of each team will compete during for several rounds, during which they will stand face to face. At the go-ahead, each participant will have to handle the devil stick in tic-tock without dropping it.

BALANCE:

Stilts : For this workshop, the 2 teams will have to do a timed relay course on stilts. The teams will compete simultaneously: the participants will have to run in turns, while carrying on the relay by passing the stilts to the next teammate.

Pogo sticks : The participants will start by practising; then, each in turn, they will have to run a record distance on the pogo sticks. These rules can be adapted, in order for everyone to surpass themselves on this workshops that requires a lot of balance.

Balance ball : This workshop will be a real duel between the 2 teams. After having familiarised themselves with the balance ball, each team will have to send each one of its participants by turn. They will compete with the other team's runners during of a timed duel.

Tightrope / Slackline : The two tightropes (or slacklines) will be installed side by side; each team will have to present its participants one by one. For a given time, the participants will set forth one after the other in order to try to cross the tightrope in its entirety. They will be able to do as much attempts as they want during the given time. The winning team will be the one with the maximum of successful participants.

ACROBATICS :

The teammates will have to show logic and coordination in their positions in order to create the greatest human pyramid. After a warm-up and a training time, the participants will be evaluated as regards their performance's aesthetic, originality and solidity.

MAGIC :

After a short introduction to magic arts, the team will be evaluated on the realisation of a magic trick, which they will have to do in record time. In order to earn a maximum of points with this workshop, the participants will have to impress our magician judges...

AERIAL:

Trapeze : In turns, the participants will have to do a maximum of compulsory figures on our free standing aerial frame. Each achieved figure will be counted up: the winning team will be the one with the maximum of achieved figures (the points will be awarded according to the figure's complexity).

... et many other workshops during which your participants will be led to develop many qualities that prevail in circus arts, such as mutual support, cohesion, etc...

MAGIC CHALLENGE

From the beginning of this entertainment, your participants will be immersed in the world of magic and illusion by attending a short show of our prestigious magicians...

Then they will be divided in teams to attend a course, during which our magicians will reveal the tips and tricks of the greatest magic illusions... and the participants will be challenged to learn and repeat one of these tricks...

Once our novice magicians trained, it will be their turn to go on stage! It is a real magic show that will be created by the teammates and played (immediately after or in the evening) in front of our judges; the latter will reward the winning team by giving them the golden magic wand...
