

HISSEZ HAUT

"Hissez Haut" is a sea-themed show that combines aerial and fire circus performances... The story of an overseas journey aboard a sailing boat: an adventure strewn with storms, lulls, inflamed evenings and many other maritime adventures told by our sailors.

PRESENTATION

The characters: a crew composed of a captain and 3 to 6 seamen. Dressed with sailor costumes, these characters will stage this overseas adventure...

The show is offered in 4 to 7 artists versions, as a visual fresco telling this adventure:

- * The boarding of the sailing boat via the footbridge: loading of the boat, preparation for the trip... with an optional tightrope act on the footbridge during the boarding
- * Cast off and weigh anchor: solo aerial anchor act
- * The installation of the riggings for the sailing: aerial rope act
- * The sailing goes on, the seamen are busy on the deck: aerial net act
- * The storm: wind in the sail and flapping riggings: a series of acrobatics and stunts on the riggings (only in v7)
- * The lull: the sailors calm down, the accordionist starts playing (v7), a singer accompanies him
- * The evening: nightfall with the lighting of the storm lights: rum bottles are flowing, the sailors take the cards out and play with fire (fire dancers, fire breather/jugglers)
- * The sunrise: the look-out discovers the dawn, the sailors speed up, the sail is fixed up
- * The sailing starts again: sails are hoisted: aerial silk synchronised duo on the sails
- * The discovery of the ground and the docking: the anchor is dropped: double trapeze act on the anchor (v7) accompanied by fireworks that bring this journey to a close...

OPTIONS

This show is available in several versions:

- 4 artists version (40 à 50 min)
- 7 artists version (1h10 à 1h20)
- Option: tightrope act during the boarding

TECHNIQUE

Stage area and technical constraints

Necessary height at the level of the scene: 8m

Floor area: version 4: 10m x 8m

version 7: 20m x 10m

Sound and lighting

Music: soundtrack supplied on USB key or tablet computer. Supply a sound system suitable for the audience and venue.

Lighting:

This show deserves to be played by night, but the lighting is a little complex (cf. technical sheet).

Provide for at least 2h of installation with the light technician and 1h of rehearsal if you handle the lighting system.

If desired, the artists can come with their own sound/lighting system and a light technician.

Installation time

Depending on the chosen version, provide for a half-day or a day of installation + 2h of rehearsal with the lighting technician + 1h for the artists' preparation (costumes/makeup).

AUDIENCE

This 100% visual show suits too all audiences.

The artists - EKLABUL

The artists are part of Eklabul's company, the specialist of circus and magic on the French Riviera.

Indeed Eklabul is:
